### **Esteemed partners,**

I would like to sincerely thank you for being with us during this decade-long journey, of recognizing the powerful minds of our girls, and joining in the efforts of Imbuto Foundation to provide an avenue for our daughters, to be recognized at the national level.

This is just the beginning of many more proud moments for our communities, as we accompany our girls on this path towards true excellence, as they continue breaking even more barriers, than they have ever thought was possible.

**Murakoze, mugire umunsi mwiza.**

**Imana ibarinde.**
